

## Harley-Davidson France is growing!

The business of Harley-Davidson continues to grow successfully even in a less favourable economic climate. That is why we are looking to expand our management team based in southeast Paris by a bright and talented business professional as our new manager for

# Dealer Finance Operations

Join us and help us grow our business!

**The job:** In this permanent position, you will assume responsibility for managing the Credit Operations of Harley-Davidson France. This includes a multitude of management and administrative tasks, such as dealer account administration, stock and payment transaction management, credit monitoring and collection of outstanding obligations, payment plan management, and many more. You will work closely with the District Managers, your colleagues in the Finance Department and the European DFO Manager.

**Your profile:** To succeed in this position, you will have following qualifications:

- ◆ Business education, ideally with a finance/accounting focus
- ◆ Several years of accounting/financial management experience, preferably in a wholesale/retail business environment
- ◆ Ideally, experience in the automotive, motorcycle or similar business
- ◆ Strong administrative, management and communication skills
- ◆ Strong English skills, both verbal and in writing

**The rewards:** Not often will you get a chance to work for such an iconic, global brand as Harley-Davidson. Here, you can apply your business talents to the fullest and make a contribution to the bottom line of the company. You will work with a substantial degree of independence in a small team of highly dedicated professionals in a very dynamic business environment.

If this challenge appeals to you, apply in confidence (motivation letter and short CV only) by e-mail to [1161@conceptjobs.ch](mailto:1161@conceptjobs.ch). We are looking forward to your application!
